

**Los Rios College Federation of Teachers (LRCFT)
and
Los Rios Community College District (LRCCD)**

**Part Time Health Benefit Memorandum of Understanding
December 13, 2022**

Intent Language

The Los Rios College Federation of Teachers (LRCFT) and the Los Rios Community College District (LRCCD) are committed to improving the health care benefits available to part time faculty working in Los Rios. In June 2022, the State Legislature and Governor Gavin Newsom ratified the 2022-2023 State Budget, which increased the state fund to reimburse districts providing healthcare options to part-time faculty from \$450,000 per year to \$200.49 million per year.

Congruent with the recently signed AB 190 (chaptered as Education Code Sections 87860 – 87868), which allows districts to receive up to 100% reimbursement (depending on statewide utilization of reimbursement funds) for their part-time faculty healthcare program provided they fulfill certain criteria, the LRCFT and LRCCD have negotiated access for individuals with a part-time faculty assignment in Los Rios of 40% (.4 FTE) or greater to the same health care coverage options at the same cost as Los Rios regular faculty.

The Federation and District acknowledge that as information related to the 2022 expansion of the Part-Time Community College Faculty Health Insurance Program continues to be issued by the State Chancellor's office, it may be necessary to revisit this MOU.

2. **Amend article 3.3.2 to read:** For adjunct faculty with a semester assignment of ~~sixty~~ **forty** percent (**40%**) of full-time (~~6.0~~ **.40** FTE) or (~~9.0~~ **six (6.0)**) formula hours, the established District contribution levels as described in Appendix A for medical and
